

DRCOG List of Eligible Projects Requesting Recovery Funding - 2/17/2009										
List is not prioritized										
Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
Adams County	2005-099	Pecos Grade Separation	Grade separate Pecos: 60th to UPRR	Operational	\$10,000	\$43,000	7/1/2009	\$10,000	Widen Washington Street: SH224 to 60th	Summer 2010
Arapahoe County	2007-024	Dry Creek Bike/Ped Bridge Extension	Construct 12 ft bike/ped bridge crossing Inverness Drive West south of Dry Creek Rd	Bike/Ped	\$1,400	\$2,950	4/1/2009	\$0		
Arapahoe County		Roadway Reconstruction: E. Quincy Ave	Design and reconstruct 4 miles of E. Quincy Ave from S. Monihan Rd to S. Imbodoen Mile Rd	Reconstruction	\$4,000	\$4,000	1/1/2010	\$0		
Arapahoe County		Roadway Reconstruction: Yale Ave	Design and reconstruct Yale Ave from S. Holly St to S. Kearney St	Reconstruction	\$500	\$500	9/1/2009	\$0		
Arapahoe County	2005-044	Parker Rd: Arapahoe Rd New Interchange	Same as existing. / Parker and Arapahoe	Capacity	\$19,000	\$50,802	7/1/2009	\$200	Currently unknown	Spring / Summer 2010
Arapahoe County		I- 25: Arapahoe Road (Design)	Overall project includes the reconstruction of the existing interchange plus the east-west connection across I-25 on the Costilla Avenue alignment. This request would advance the design of the project.	Design	\$5,000	\$5,000	June/July 2009	\$0		
Arvada	2007-020	Wadsworth Blvd: 72nd Ave to 80th Ave Multi-use Path	Constructs path along the east side of Wadsworth	Bike/Ped	\$200	\$1,384	12/15/2009	\$200	W. 74th Ave Bike/Ped Canal Crossing Facility	12/1/2009
Arvada	2007-144	Bike/Ped Facility: Simms St (Existing Safe Routes to School Project)	Construction of a on-street bike/ped lane on the west side of Simms St. Project is currently a SRTS project	Bike/Ped	\$81	\$182	8/1/2009	\$81	Overlay of 1 mile of an arterial and/or collector on DRCOG Regional Roadway Network.	5/1/2009
Arvada		Roadway Overlay of 64th: SH 121 to Tennyson	Rehab and overlay	Overlay	\$628	\$628	5/4/2009	\$0		
Arvada		Roadway Overlay of Garrison St: Brooks Dr to Oberon St	Rehab and overlay	Overlay	\$604	\$604	5/4/2009	\$0		
Arvada		Roadway Overlay of Olde Wadsworth Blvd: 58th Ave to SH 121	Rehab and overlay	Overlay	\$290	\$290	5/4/2009	\$0		
Arvada		Roadway Overlay of W. 80th Ave: SH 121 to SH 95	Rehab and overlay	Overlay	\$526	\$526	5/4/2009	\$0		
Arvada		Roadway Overlay of Ward Rd: SH 72 to W. 72nd Ave	Rehab and overlay	Overlay	\$500	\$500	5/4/2009	\$0		
Arvada		Roadway Overlay of W. 64th Pkwy: SH 93 to Virgil St	Rehab and overlay	Overlay	\$1,722	\$1,722	5/4/2009	\$0		
Arvada		Bike/Ped Trail Underpass: Kipling Pkwy	Trail underpass that will connect to the regional trail system and Arvada Ridge transit station	Bike/Ped	\$2,225	\$2,225	12/31/2009	\$0		
Arvada		Olde Town Transit Plaza - Design	Trans plaza design for Olde Town Transit Station	Design	\$75	\$75	6/1/2009	\$0		
Arvada		Olde Town Transit Plaza - Construction	Construction of bike/ped plaza for access to the Olde Town Transit Station	Transit	\$750	\$750	12/31/2009	\$0		
Arvada		W. 72nd Bike Lanes: Kipling St to Simms St	Widen existing pavement on the north side of W. 72nd to accommodate an on-street bike lane	Bike/Ped	\$200	\$200	7/16/2009	\$0		
Arvada		UPRR Bridge Replacement at Indiana St: Construction	Replace and lengthen span of RR bridge to accommodate a 4-lane arterial road near W. 83rd Ave	Operational	\$3,900	\$3,900	12/14/2009	\$0		
Arvada		UPRR Bridge Replacement at Indiana St: Design	Design the replacement of the RR bridge to accommodate a 4-lane arterial road near W. 83rd Ave	Design	\$300	\$300	6/1/2009	\$0		
Arvada		UPRR Grade Separation: W. 72nd Ave	Grade separate W. 72nd west of Oak St at UPRR crossing	Operational	\$7,500	\$7,500	12/1/2009	\$0		
Arvada		W. 86th Pkwy Bike Lanes	Complete missing length of attached bike lane on south side of road from Queen St to W. 88th Ave	Bike/Ped	\$300	\$300	5/1/2009	\$0		
Arvada		Carr St. Bike/Ped Improvements	Provide on-street bike lanes with curb and gutter on both sides of Carr St. from W. 72nd Place to W. 74th Ave. Carr St will be widened, including minor drainage and an overlay	Bike/Ped	\$250	\$250	7/1/2009	\$250	Overlay of 1 mile of an arterial and/or collector on DRCOG Regional Roadway Network.	5/1/2009

Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
Arvada		Bike/Ped Improvements at Canal Crossings: W. 74th Ave - Design	Design of on-street bike and sidewalks on both sides of W. 74th Ave	Design	\$250	\$250	5/1/2009	\$0		
Arvada		Bike/Ped Improvements at Canal Crossings: W. 74th Ave - Construction	Construction of on-street bike and sidewalks on both sides of W. 74th Ave	Bike/Ped	\$2,300	\$2,300	12/1/2009	\$0		
Arvada		Bike/Ped Overpass: Alkire St and UPRR	Construct bridge across the UPRR at W 82nd and Alkire St to accommodate bike/ped traffic	Bike/Ped	\$1,300	\$1,300	9/30/2009	\$0		
Arvada		74th Ave Bike Lanes	Widen W 74th Ave to accommodate bike traffic; add sidewalks	Bike/Ped	\$350	\$350	9/30/2009	\$0		
Arvada		Roadway Widening on W. 64th: West of Quaker St to Church Ditch	Widen the south side of 64th to arterial standards for additional eastbound through lane	Capacity	\$835	\$835	7/23/2009	\$835	W. 74th Ave Bike/Ped Canal Crossing Facility	12/1/2009
Arvada		Roadway Widening on W. 64th: McIntyre St to Quaker St	Widen the south side of 64th to arterial standards for additional eastbound through lane	Capacity	\$780	\$780	5/1/2009	\$0		
Arvada		Roadway Widening on W. 64th: Kendrick Drive to McIntyre St	Widen the north side of 64th to arterial standards for additional westbound through lane	Capacity	\$715	\$715	5/1/2009	\$0		
Arvada		Union Pacific Grade Separation: W. 72nd Ave - Design Only	Design railroad grade separation structure with 72nd Ave. Design also includes arterial design with bike/ped facilities	Design	\$1,000	\$1,000	6/1/2009	\$0		
Arvada		Ralston Creek Regional Trail: Garrison St to Brooks Dr	Construct 10ft regional trail under new Garrison St bridge. New trail eliminates an at-grade street crossing	Bike/Ped	\$1,000	\$6,000	9/1/2009	\$1,000	W. 74th Ave Bike/Ped Canal Crossing Facility	12/1/2009
Arvada		Indiana St. Widening: 66th Ave to 67th Ave	Widen west side of Indiana St to accommodate west half of a 4-lane arterial section	Capacity / Operational	\$350	\$350	4/15/2009	\$350	Overlay of an arterial and/or collector on DRCOG Regional Roadway Network.	5/1/2009
Arvada		Roadway Overlay of W. 74th Ave: Kipling St to Church Ditch	Rehab and overlay	Overlay	\$233	\$233	5/4/2009	\$0		
Arvada		Roadway Overlay of Ralston Rd: Lamar St to Sheridan Blvd	Rehab and overlay	Overlay	\$437	\$437	5/4/2009	\$0		
Arvada		Roadway Overlay of W. 64th Ave: SH72 to Miller St	Rehab and overlay	Overlay	\$657	\$657	5/4/2009	\$0		
Aurora		New I-225 Interchange at 17th	Construct new interchange at 17th	Capacity	\$43,000	\$47,000	6/1/2009	\$0		
Boulder		Bike/Ped Intersection Improvements: Spruce St and Folsom St	Construct bike/ped crossing treatments including medians, striping, flashing beacons, and signage	Bike/Ped	\$320	\$320	3/1/2009	\$0		
Boulder		SH 157 Multi-Use Path: Goose Creek to north of Valmont Rd	Construct a bike/ped path along the west side of SH-157	Bike/Ped	\$775	\$775	6/1/2009	\$0		
Boulder		28th St Multi-use Path: Iris Ave to Yarmouth Ave	Construct a bike/ped path along 28th St	Bike/Ped	\$4,100	\$4,100	9/1/2009	\$0		
Boulder		30th St Overlay: Mapleton Ave to SH 119	Rehab and overlay	Overlay	\$575	\$575	4/1/2009	\$0		
Boulder		Baseline Rd Overlay: Broadway/SH93 to 37th St	Rehab and overlay	Overlay	\$725	\$725	4/1/2009	\$0		
Boulder		ADA Pedestrian Access Improvements	Install pedestrian access ramps to meet ADA design guidelines within 2 zones in the city	Bike/Ped	\$825	\$825	4/1/2009	\$0		
Boulder County	2007-118	SH-7: County Line Rd Operational Improvements	SH-7 at County Line Rd. New signal and geometric improvements./ SH-7 and E. County Line Rd in Boulder County	Operational	\$545	\$975	3/15/2009	\$0		
Boulder County	2008-038	Special Transit: Operations and Maintenance Facility	Special Transit will construct a 56,000 sq. ft. facility in Boulder county to house its primary operations and maintenance functions./ City of Boulder	Transit	\$2,250	\$12,750	3/10/2009	\$0		
Boulder County	2007-144	75th Street Pedestrian Safety, School Access, and Traffic Calming Project	Construct new ped. crossing at 75th St. and complete missing sidewalk links between roadway and school to improve pedestrian access to school and to increase neighborhood connectivity./ 75th St. and Heatherwood Dr. in unincorporated Boulder County	Bike/Ped	\$350	\$350	9/15/2009	\$0		
Boulder County	2005-011	SH-119: 63rd Street Operational Improvements	This project will construct improvements at SH-119/63rd Street	Operational	\$744	\$4,822	5/15/2009	\$720	Design and potential construction of 71st Street shoulders project in preparation for Region 4 Construction of SH-52/ SH-119 Interchange	5/1/09 (design), 5/1/10 (construction)
Boulder County		North 119th St. Bikeway Shoulders & Overlay Project	Reconstruct one-mile of roadway with 4-ft bikeway shoulders./ N. 119th St. from Arapahoe to State Hwy 7 in unincorporated Boulder County.	Reconstruction	\$460	\$460	9/1/2009	\$0		
Boulder County		Coalton Rd/McCaslin Blvd. Intersection Improvements	Construct roundabout at intersection of two major arterial roadways to increase capacity and safety of intersection and to accommodate planned access for TIP funded trail entrance.	Operational	\$775	\$775	6/1/2009	\$400		
Boulder County		Rock Creek Trail- 120th St. to Flagg Park	Design and construct new regional trail connection to complete final missing segment of six-mile regional trail connection between Broomfield and Lafayette./ 120th St. to Flagg Park (S. of SH-7) in the City of Lafayette.	Bike/Ped	\$630	\$630	5/1/2009	\$0		

Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
Boulder County		S. Boulder Rd/120th St in City of Lafayette	Design for 1) reconstruction of S. Boulder Rd; 2) signalization of 120th/S. Boulder Rd; 3) Bridge replacement over Coal Creek with trail connections/ S. Boulder Rd. and 120th St in City of Lafayette	Design	\$750	\$8,400	6/1/2009	\$0		
Boulder County		SH-119 Operational Improvements- Airport Rd. Bike/Ped Underpass and Transit Access	Construct grade-separated crossing of Northbound Highway 119. Provide new pedestrian connection to BOLT transit service and to Airport Road pedestrian facilities./ SH-119 & Airport Rd. (87th St)	Bike/Ped	\$1,198	\$1,198	9/15/2009	\$0		
Boulder County		North 63rd St. Bridge Replacement Project	Replace structurally deficient and functionally obsolete bridge with new structure to carry 100-year flood water and accommodate bicycle shoulders on roadway surface.	Reconstruction	\$1,350	\$1,350	6/15/2009	\$0		
Bow Mar		Bow Mar Drive Pavement Overlay	Pavement overlay of Bow Mar Drive between Quincy and Prospect/Belleview (.8 miles)	Overlay	\$85	\$85	6/1/2009	\$80	used to advance paving program; specific locations not specified	6/1/2009
Broomfield	2007-029	120th Connection - Phase 2	In addition to the existing TIP scope, this project will design and construct Phase 2	Capacity	\$40,000	\$89,487	9/30/2009	\$1,000	Lowell Blvd: East Midway to W. 136th Ave	Summer 2009
Broomfield	2007-029	US-36: 120th Avenue Connection (Phase 3)	In addition to TIP scope, these funds would allow for Phase 3 of the project, which is the local roadway system./Broomfield, connecting SH-128 over US-36	Capacity	\$4,000	\$4,000	1/29/2009	\$0		
Castle Rock		Historic Railroad Depot Restoration	Prepare renovation plans and restore historic railroad depot adjacent to the Burlington Northern Railroad, south of Wolfensburger Rd	Enhancement	\$1,000	\$1,000	12/1/2009	\$0		
Castle Rock		I-25: Crystal Valley Pkwy Interchange Design	Design new interchange	Design	\$1,500	\$1,500	11/1/2009	\$0		
Castle Rock		I-25: North Meadows Pkwy Interchange Design	Design new interchange	Design	\$1,500	\$1,500	12/1/2009	\$0		
Castle Rock		Intersection Improvements: Founders Pkwy and SH86 at Ridge Rd and 5th St	Operational, capacity, and signal improvements	Operational	\$2,250	\$2,250	7/1/2009	\$0		
CDOT Region 1	2001-154	US-85: Titan Rd. to Meadows Pkwy Widening	Reconstruction of an existing two-lane, one-mile roadway with no shoulders to a four-lane roadway with standard shoulders, as well as raised median with controlled access and safety improvements.	Reconstruction	\$5,400	\$5,400	6/4/2009	\$0		
CDOT Region 1	2003-124	US-285: Pine Junction Interchange	Build a grade-separated interchange and related widening at Pine Junction.	Design	\$1,200	\$12,000	N/A	\$0		
CDOT Region 1	2003-124	US-285: Shaffers Crossing Interchange	Build a grade-separated interchange across Elk Creek Rd., plus new frontage roads and a wildlife crossing.	Capacity	\$1,200	\$6,600	6/18/2009	\$0		
CDOT Region 1	2007-096	Region 1 Surface Treatment Pool: SH-86 Founders Parkway Pkwy Rehabilitation	Concrete pavement rehab for southern two miles of Founders Pkwy. Includes new curb and gutter along outside of travel plans plus a raised median throughout.	Reconstruction	\$1,600	\$9,800	7/9/2009	\$0		
CDOT Region 4	2001-252	SH-119: SH-52 New Interchange	Construct interchange with multi-modal elements at current intersection of SH-119 and SH-52 between Boulder and Niwot. CDOT R4 is requesting DRCOG consider project cost sharing.	Capacity	\$12,500	\$25,000	5/14/2009	\$0		
CDOT Region 4	2005-108	SH- 52: Boulder Creek (west of County Line Road) Replace Bridge	Replace structure #D-16-U with 5 span continuous bridge with pre-cast, pre-tensioned solid flat slab girders./ SH-52 Bridge over Boulder Creek	Reconstruction	\$5,000	\$11,000	4/16/2009	\$0		
CDOT Region 4	2007-095	Region 4 Surface Treatment Pool: [US-36: Estes Park to Lyons chip seal]	Surface treatment as recommended as part of the CDOT pavement management system	Overlay	\$1,466	\$2,200	5/5/2009	\$0		
CDOT Region 4		I-25 North Corridor Management Project	Install fiber optic cable from 120th in Denver to Wyoming state line along I-25. 35% in DRCOG TMA/ I-25: MP 223.22 to 298.87	Operation	\$4,025	\$11,500	9/10/2009	\$0		
CDOT Region 4		US-36 at Broadway Intersection signalization including bicycle/pedestrian treatments	New traffic control signal at US-36 at Broadway intersection with bicycle/pedestrian treatments./ US-36: mp 32.13 to 32.4	Operation	\$500	\$500	4/16/2009	\$0		
CDOT Region 6	2005-100	SH-7: South Platte River Bridge	Replace existing bridge structure over South Platte River	Reconstruction	\$1,700	\$6,300	3/19/2009	\$6,300	Havana over Cherry Creek Bridge Replacement	12/10/2009
CDOT Region 6		I-25/Alameda Bridge Replacement	Replace bridge; add second coffer dam and concrete box culvert	Reconstruction	\$42,000	\$43,000	8/27/2009	\$0		
CDOT Region 6		C-470 Bike Path Rehab and Reconditioning	Remove damaged slabs from the bike path, recondition the underlying soil, add rock base, and replace the concrete	Bike/Ped	\$17,000	\$17,000	4/23/2009	\$0		

Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
Centennial	2001-158	Reconstruct Arapahoe/Forest Traffic Signal	Contract modification to existing TIP # 2001-158; reconstruct traffic signal and install interconnect from Albion to Quebec	Operational	\$520	\$3,075	Summer 2009	\$0		
Centennial	2001-162	Reconstruct Arapahoe/Vine Traffic Signal	Contract modification to existing TIP # 2001-162; reconstruct traffic signal and install interconnect from Vine to Colorado	Operational	\$475	\$6,032	Summer 2009	\$0		
Centennial		Major Corridor Pavement Rehab Program	Rehab of 7.5 miles within city limits	Overlay	\$2,998	\$2,998	5/12/2009	\$0		
Commerce City		Intersection Improvements: E. 96th and Hwy. 2	Reconstruct intersection; add 2 through lanes, replace signal, reconstruct RR crossing, lighting, quiet zone	Reconstruction	\$7,900	\$7,900	summer 2009	\$5,000	E. 104th/I-76 Overpass (second bridge crossing)	Spring 2010
Denver	2001-169	Federal Blvd: Alameda Ave to 6th Ave Widening	Add travel lane	Capacity	\$5,925	\$34,725	10/22/2009	\$0		
Denver	2005-026	ITS: Colorado Blvd Signal Reconstruction	Reconstruct 6 signals and associated infrastructure	Reconstruction	\$1,500	\$1,500	8/1/2009	\$0		
Denver	2005-026	ITS: Next Generation System Replacement Upgrade Traffic Signal Control System	Replacement and/or upgrade central traffic signal control system	Operational	\$1,250	\$1,250	8/1/2009	\$0		
Denver	2007-083	I-70: Central Park Blvd Interchange Reconstruction	Reconstruct Havanna interchange, including new interstate access between Havanna and Quebec at the new Central Park Blvd.	Capacity	\$38,000	\$60,000	7/1/2009	\$0		
Denver	2008-009	Broadway: Wesley to Asbury Reconstruction	Reconstruct roadway with concrete pavement, including minor realignment	Reconstruction	\$6,500	\$6,500	12/31/2009	\$0		
Denver		Traffic Signal Devices Database	Condense several traffic signal databases into one	Operational	\$250	\$250	8/1/2009	\$0		
Denver		Colfax ITS Arterial Video Detection: I-25 to Colorado Blvd	Install Arterial Congestion Mapping (ACM) materials including fiber optical conduit and cable, transceivers, switches, and video detection cameras	Operational	\$1,000	\$1,000	8/1/2009	\$0		
Denver		ITS: Arterial Variable Message Signs (VMS)	Install 9 VMS within the Central Business District	Operational	\$810	\$810	8/1/2009	\$0		
Denver		ITS: Closed Circuit Television Traffic Monitoring Camera	Install 25 CCTV cameras	Operational	\$300	\$300	8/1/2009	\$0		
Denver		Alameda Ave: University to E. Cherry Creek S Drive Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp and curb and gutter upgrades	Reconstruction	\$2,079	\$2,079	6/1/2009	\$0		
Denver		1st Ave: Broadway to Santa Fe Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$2,933	\$2,933	6/1/2009	\$0		
Denver		9th and 10th Ave: Broadway to Downing Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$4,284	\$4,284	6/1/2009	\$0		
Denver		Alameda Ave: Broadway to University Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$4,462	\$4,462	7/1/2009	\$0		
Denver		Broadway: Iowa to Asbury Reconstruction	Reconstruct roadway with concrete pavement, including minor realignment	Reconstruction	\$7,200	\$7,200	12/31/2009	\$0		
Denver		Broadway: Welton to Park Ave West Reconstruction	Reconstruct roadway with concrete pavement	Reconstruction	\$5,000	\$5,000	12/31/2009	\$0		
Denver		S. University Blvd: E. Evans to South Denver City Limits Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$6,993	\$6,993	7/1/2009	\$0		
Denver		Alameda to Broadway Bikeway	Construct multi-use, off-street trail for bike/ped between Alameda to Broadway light rail stations	Bike/Ped	\$750	\$750	9/15/2009	\$0		
Denver		Cherry Creek Trail: University to Colorado Improvements	Construct a 6-ft trail adjacent to existing 10-ft trail to eliminate conflicts	Bike/Ped	\$956	\$956	6/1/2009	\$0		

Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
Denver		Bikeway Mobility Enhancements	Install new signage and lane markings to complete existing bike routes on various street locations	Bike/Ped	\$250	\$250	5/1/2009	\$0		
Douglas County	2003-112	C-470: Santa Fe Drive Interchange Reconstruction	In addition to TIP scope, funding being requested to accelerate the construction of the SB to EB flyover ramp	Reconstruction	\$15,000	\$24,500	10/29/2009	\$0		
DRCOG	2008-025	Travel Behavior Surveys	Travel surveys along entire front range	Design	\$350	\$2,500	2/1/2009	\$0		
Edgewater		West 26th Ave. Overlay	Project of roto-milling 5300 at 50' width of asphalt 2" in depth and placement of 29,444 SY of 2" asphalt overlay. The project cost includes mobilization, traffic, erosion control and testing.	Overlay	\$334	\$334	5/1/2009	\$0		
Edgewater		West 20th Avenue from Sheridan Blvd west to Pierce St.	Project of roto-milling 5300 at 53.24' width of asphalt 2" in depth and placement of 31,352 SY of 2" asphalt overlay. The project cost includes mobilization, traffic, erosion control and testing.	Overlay	\$356	\$356	5/1/2009	\$0		
Englewood		Bridge Repairs- Englewood	Repair and maintenance to 11 bridges per 2007 bridge evaluation report (Preventative Maint)	Bridge	\$140	\$140	12/1/2009	\$0		
Englewood		Broadway median- Jefferson to Quincy	Design & construct raised landscaped medians on S. Broadway between Jefferson & Quincy. The project will continue design theme of recently constructed medians on Broadway (TIP #2003-123).	Enhancement	\$1,400	\$1,400	12/1/2009	\$0		
Englewood		Broadway median- Quincy to Tufts	Design and construct landscaped medians on S. Broadway between Quincy and Tufts Ave. The project will continue design theme of recently constructed medians on Broadway (TIP #2003-123).	Enhancement	\$600	\$600	12/1/2009	\$0		
Englewood		S. Broadway - Yale to Hwy 285; and Belleview to South City Limits	Rotomill & 2" AC overlay on S. Broadway. Project includes construction of HC ramps & incidental curb repair.	Overlay	\$905	\$905	12/1/2009	\$0		
Englewood		Englewood Overlay Project	Rotomill & 2" AC overlay. Project includes construction of HC ramps & incidental curb repair. Various streets within Englewood. All locations on federally eligible streets.	Overlay	\$1,711	\$1,711	12/1/2009	\$0		
Englewood		Sidewalk Missing Links	Construct 5' wide concrete sidewalks including HC ramps and incidental curb repair. 1) S. Navajo -Oxford to Quincy 2) W. Quincy Ave. at Navajo 3) N. side of W. Union Ave.- Plate River to S. Decatur St.	Bike/Ped	\$275	\$275	12/1/2009	\$0		
Erie		Bike Lanes on County Line Road North	Addition of paved bike lanes on east and west side of County Line Rd from Cheesman Street north to SH-52	Bike/Ped	\$609	\$609	6/1/2009	\$0		
Erie		Bike Lanes on County Line Road South	Addition of paved bike lanes on east and west side of County Line Rd from Austin Avenue to south town limits.	Bike/Ped	\$433	\$433	6/1/2009	\$0		
Erie		Leon A Wurl Parkway Bike Lanes	Addition of paved bike lanes on north and south side of Leon A. Wurl Parkway from Bonanza Dr. east to I-25 Interchange.	Bike/Ped	\$733	\$733	6/2/2009	\$0
