Tier	Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
TIER 1, projects in the DRCOG 2008-2013 Transportation Improvement Program (TIP)											
1	Adams County	2005-099	Pecos Grade Separation	Grade separate Pecos: 60th to UPRR	Operational	\$10,000	\$43,000	7/1/2009	\$10,000	Widen Washington Street: SH224 to 60th	Summer 2010
1	Arapahoe County	2005-044	Parker Rd: Arapahoe Rd New Interchange	Same as existing. / Parker and Arapahoe	Capacity	\$19,000	\$50,802	7/1/2009	\$2,000	Quincy Ave Widening (2 - 6 Lanes) between Cooperleaf Blvd. & Gun Club, 2) Quincy Ave. gravel to pavement project: Kiowa -Bennet to Strasburg Rd., Quincy Ave extension between Exmor and Bradbury, Brick-Center gravel to pavement: North of Quincy Ave	Spring / Summer 2010
1	Boulder County	2005-011	SH-119: 63rd Street Operational Improvements	This project will construct improvements at SH-119/63rd Street	Operational	\$744	\$4,822	5/15/2009	\$720	Design and potential construction of 71st Street shoulders project in preparation for Region 4 Construction of SH-52/SH-119 Interchange	5/1/09 (design), 5/1/10 (construction)
1	Boulder County	2007-118	SH-7: County Line Rd Operational Improvements	SH-7 at County Line Rd. New signal and geometric improvements./ SH-7 and E. County Line Rd in Boulder County	Safety	\$545	\$975	3/15/2009	\$0		
1	Boulder County	2008-038	Special Transit: Operations and Maintenance Facility	Special Transit will construct a 56,000 sq. ft. facility in Boulder County to house its primary operations and maintenance functions./ City of Boulder	Transit	\$2,250	\$12,750	3/10/2009	\$0		
1	Broomfield	2007-029	US-36: 120th Avenue Connection (Phase 3)	In addition to TIP scope, these funds would allow for Phase 3 of the project, which is the local roadway system./Broomfield, connecting SH-128 over US-36	Capacity	\$4,000	\$4,000	1/29/2009	\$0		
1	Broomfield	2007-029	120th Connection - Phase 2	In addition to the existing TIP scope, this project will design and construct Phase 2	Capacity	\$40,000	\$89,487	9/30/2009	\$1,000	Lowell Blvd: East Midway to W. 136th Ave	Summer 2009
1	CDOT Region 1	2001-154	US-85: Titan Rd. to Meadows Pkwy Widening	Reconstruction of an existing two-lane, one-mile roadway with no shoulders to a four-lane roadway with standard shoulders, as well as raised median with controlled access and safety improvements.	Capacity	\$5,400	\$5,400	6/4/2009	\$0		
1	CDOT Region 1	2003-124	US-285: Shaffers Crossing Interchange	Build a grade-separated interchange across Elk Creek Rd., plus new frontage roads and a wildlife crossing.	Capacity	\$1,200	\$6,600	6/18/2009	\$0		
1	CDOT Region 1	2007-096	Region 1 Surface Treatment Pool: SH-86 Founders Parkway Pkwy Rehabilitation	Concrete pavement rehab for southern two miles of Founders Pkwy. Includes new curb and gutter along outside of travel plans plus a raised median throughout.	Reconstruction	\$1,600	\$9,800	7/9/2009	\$0		
1	CDOT Region 4	2001-252	SH-119: SH-52 New Interchange	Construct interchange with multi-modal elements at current intersection of SH-119 and SH-52 between Boulder and Niwot. CDOT R4 is requesting DRCOG consider project cost sharing.	Capacity	\$12,500	\$25,000	9/1/2009	\$0		
1	CDOT Region 4	2005-108	SH- 52: Boulder Creek (west of County Line Road) Replace Bridge	Replace structure #D-16-U with 5 span continuous bridge with pre-cast, pre-tensioned solid flat slab girders./ SH-52 Bridge over Boulder Creek	Bridge	\$5,000	\$11,000	4/16/2009	\$0		
1	CDOT Region 4	2007-095	Region 4 Surface Treatment Pool: [US-36: Estes Park to Lyons chip seal]	Surface treatment as recommended as part of the CDOT pavement management system	Overlay	\$1,466	\$2,200	5/5/2009	\$0		
1	CDOT Region 6	2005-100	SH-7: South Platte River Bridge	Replace existing bridge structure over South Platte River	Bridge	\$1,700	\$6,300	3/19/2009	\$6,300	Havana over Cherry Creek Bridge Replacement	12/10/2009
1	Centennial	2001-158	Reconstruct Arapahoe/Forest Traffic Signal	Contract modification to existing TIP # 2001-158; reconstruct traffic signal and install interconnect from Albion to Quebec	Safety	\$520	\$3,075	CMO	\$0		
1	Centennial	2001-162	Reconstruct Arapahoe/Vine Traffic Signal	Contract modification to existing TIP # 2001-162; reconstruct traffic signal and install interconnect from Vine to Colorado	Safety	\$475	\$6,032	CMO	\$0		
1	Denver	2001-169	Federal Blvd: Alameda Ave to 6th Ave Widening	Add travel lane	Capacity	\$5,925	\$34,725	10/22/2009	\$0		
1	Denver	2008-009	Broadway: Wesley to Asbury Reconstruction	Reconstruct roadway with concrete pavement, including minor realignment	Reconstruction	\$6,500	\$6,500	12/31/2009	\$0		
1	Douglas County	2003-112	C-470: Santa Fe Drive Interchange Reconstruction	In addition to TIP scope, funding being requested to accelerate the construction of the SB to EB flyover ramp	Capacity	\$15,000	\$24,500	10/29/2009	\$0		
1	Jefferson County	2007-142	Quincy/Kipling Intersection Project	Provide safety/capacity improvements for the Quincy/Kipling Intersection (including construction costs).	Operational	\$1,000	\$4,400	12/1/2009	\$0		
1	Lakewood	2007-114	US-40: Youngfield St. Intersection Improvements	Same as existing	Safety	\$200	\$1,000	3/1/2009	\$0		
1	RTD	2007-051	US-36 Queue Jumps	Transit queue jump lanes and transit signal priority modification along US36 @ McCaslin, Flatirons-Interlocken Pkwy, Church Ranch, and Sheridan	Operational	\$15,000	\$217,000	7/1/2009	\$0		
1	RTD	2007-057	Denver Union Station	DUS intermodal renovations	Transit Facility	\$18,600	\$435,000	5/1/2009	\$0

TIER 1, project NOT in the TIP

1	Arapahoe County		Roadway Reconstruction: E. Quincy Ave	Design and reconstruct 4 miles of E. Quincy Ave from S. Monihan Rd to S. Imbodoen Mile Rd	Reconstruction	\$4,000	\$4,000	1/1/2010	\$0		
1	Arvada		Indiana St. Widening: 66th Ave to 67th Ave	Widen west side of Indiana St to accommodate west half of a 4-lane arterial section	Operational	\$350	\$350	4/15/2009	\$350	Overlay of an arterial and/or collector on DRCOG Regional Roadway Network.	5/1/2009
1	Arvada		UPRR Grade Separation: W. 72nd Ave	Grade separate W. 72nd west of Oak St at UPRR crossing	Operational	\$7,500	\$7,500	12/1/2009	\$0		
1	Aurora		New I-225 Interchange at 17th	Construct new interchange at 17th	Capacity	\$43,000	\$47,000	9/1/2009	\$0		
1	Boulder County		Coalton Rd/McCaslin Blvd. Intersection Improvements	Construct roundabout at intersection of two major arterial roadways to increase capacity and safety of intersection and to accommodate planned access for TIP funded trail entrance.	Operational	\$775	\$775	6/1/2009	\$400		
1	Boulder County		North 119th St. Bikeway Shoulders & Overlay Project	Reconstruct one-mile of roadway with 4-ft bikeway shoulders./ N. 119th St. from Arapahoe to State Hwy 7 in unincorporated Boulder County.	Reconstruction	\$460	\$460	9/1/2009	\$0		
1	Castle Rock		Intersection Improvements: Founders Pkwy and SH86 at Ridge Rd and 5th St	Operational, capacity, and signal improvements	Operational	\$2,250	\$2,250	7/1/2009	\$0		
1	CDOT Region 6		I-25/Alameda Bridge Replacement	Replace bridge; add second coffer dam and concrete box culvert	RTP	\$20,900	\$43,000	8/27/2009	\$0		
1	Commerce City		Intersection Improvements: E. 96th and Hwy. 2	Reconstruct intersection; add 2 through lanes, replace signal, reconstruct RR crossing, lighting, quiet zone	Operational	\$7,900	\$7,900	8/1/2009	\$5,000	E. 104th/I-76 Overpass (second bridge crossing)	Spring 2010
1	Denver		S. University Blvd: E. Evans to South Denver City Limits Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$6,993	\$6,993	7/1/2009	\$0		
1	Denver		Broadway: Iowa to Asbury Reconstruction	Reconstruct roadway with concrete pavement, including minor realignment	Reconstruction	\$7,200	\$7,200	12/31/2009	\$0		
1	Denver		Broadway: Welton to Park Ave West Reconstruction	Reconstruct roadway with concrete pavement	Reconstruction	\$5,000	\$5,000	12/31/2009	\$0		
1	Jefferson County		Wadsworth/Waterton Intersection Operational Improvements	Design and reconstruct the NB approach grade (decrease grade) and install a new traffic signal.	Operational / Safety	\$3,700	\$4,300	12/1/2009	\$0		
1	Lone Tree		Lincoln and I-25 Southbound Ramp Modifications	Create a third left turn lane from the SB off-ramp to EB Lincoln Ave	Operational	\$2,000	\$4,000	11/1/2009	\$0		
1	Northglenn		Huron Street Reconstruction Phase 1	The subject segment of Huron Street has deteriorated and requires reconstruction. This project is the City's top priority./ Huron Street from Kennedy Drive to Naiad Drive	Reconstruction	\$4,100	\$4,100	4/1/2009	\$0		
1	Northglenn		Huron Street Reconstruction Phase 2	The subject segment of Huron Street has deteriorated and requires reconstruction. This project is the City's top priority./ Huron Street from West 112th Avenue to Kennedy Drive and Naiad Drive to West 104th Avenue.	Reconstruction	\$4,100	\$4,100	4/1/2009	\$0		
1	Northglenn		120th Avenue at I-25 Ramp Extension	This project will extend the acceleration lane at the 120th Avenue and I-25 NB off-ramp east to the Grant St. right turn lane.	Operational	\$250	\$250	5/1/2009	\$0		
1	Parker		Jordan Rd/Newlin Gulch Improvements	Improve accel, decel, and left turn storage lanes, add side walks along Jordan, and widen Newlin bridge on Jordan Rd south on Lincoln Ave	Operational	\$2,950	\$2,950	4/20/2009	\$0		

Projects initially assigned to TIER 2 [but under review by DRCOG staff]

2	Arvada		Roadway Widening on W. 64th: McIntyre St to Quaker St	Widen the south side of 64th to arterial standards for additional eastbound through lane	Capacity	\$780	\$780	5/1/2009	\$0		
2	Arvada		Roadway Widening on W. 64th: Kendrick Drive to McIntyre St	Widen the north side of 64th to arterial standards for additional westbound through lane	Capacity	\$715	\$715	5/1/2009	\$0		
2	Arvada		Roadway Widening on W. 64th: West of Quaker St to Church Ditch	Widen the south side of 64th to arterial standards for additional eastbound through lane	Capacity	\$835	\$835	7/23/2009	\$835	W. 74th Ave Bike/Ped Canal Crossing Facility	12/1/2009
2	Denver	2007-083	I-70: Central Park Blvd Interchange Reconstruction	Reconstruct Havanna interchange, including new interstate access between Havanna and Quebec at the new Central Park Blvd.	Capacity	\$38,000	\$60,000	7/1/2009	\$0		
2	Wheat Ridge		I-70 / 32nd Avenue Interchange Improvements	Reconstruction of the interchange with the relocation of the west bound ramps and an additional lane on the east bound off-ramp. Also includes widening of 32nd Avenue and Youngfield Street./ I-70/32nd Avenue	Capacity	\$18,000	\$18,000	3/1/2009	\$3,300		3/1/2009
2	Wheat Ridge		SH-58/Cabela Drive Interchange Construction	Construction of the interchange with the addition of east and west bound ramps and the extension of Holman Street south across SH 58 as Cabela Drive./SH-58 & Cabela Drive Interchange Construction	Capacity	\$13,000	\$13,000	3/1/2009	\$0

TIER 2 Projects											
2	Arapahoe County		Roadway Reconstruction: Yale Ave	Design and reconstruct Yale Ave from S. Holly St to S. Kearney St	Reconstruction	\$500	\$500	9/1/2009	\$0		
2	Arvada		Roadway Overlay of 64th: SH 121 to Tennyson	Rehab and overlay	Overlay	\$628	\$628	5/4/2009	\$0		
2	Arvada		Roadway Overlay of Garrison St: Brooks Dr to Oberon St	Rehab and overlay	Overlay	\$604	\$604	5/4/2009	\$0		
2	Arvada		Roadway Overlay of Olde Wadsworth Blvd: 58th Ave to SH 121	Rehab and overlay	Overlay	\$290	\$290	5/4/2009	\$0		
2	Arvada		Roadway Overlay of W. 80th Ave: SH 121 to SH 95	Rehab and overlay	Overlay	\$526	\$526	5/4/2009	\$0		
2	Arvada		Roadway Overlay of Ward Rd: SH 72 to W. 72nd Ave	Rehab and overlay	Overlay	\$500	\$500	5/4/2009	\$0		
2	Arvada		Roadway Overlay of W. 64th Pkwy: SH 93 to Virgil St	Rehab and overlay	Overlay	\$1,722	\$1,722	5/4/2009	\$0		
2	Arvada		Roadway Overlay of W. 74th Ave: Kipling St to Church Ditch	Rehab and overlay	Overlay	\$233	\$233	5/4/2009	\$0		
2	Arvada		Roadway Overlay of Ralston Rd: Lamar St to Sheridan Blvd	Rehab and overlay	Overlay	\$437	\$437	5/4/2009	\$0		
2	Arvada		Roadway Overlay of W. 64th Ave: SH72 to Miller St.	Rehab and overlay	Overlay	\$657	\$657	5/4/2009	\$0		
2	Arvada		UPRR Bridge Replacement at Indiana St: Construction	Replace and lengthen span of RR bridge to accommodate a 4-lane arterial road near W. 83rd Ave	Bridge	\$3,900	\$3,900	12/14/2009	\$0		
2	Boulder		30th St Overlay: Mapleton Ave to SH 119	Rehab and overlay	Overlay	\$575	\$575	4/1/2009	\$0		
2	Boulder		Baseline Rd Overlay: Broadway/SH93 to 37th St	Rehab and overlay	Overlay	\$725	\$725	4/1/2009	\$0		
2	Boulder County		North 63rd St. Bridge Replacement Project	Replace structurally deficient and functionally obsolete bridge with new structure to carry 100-year flood water and accommodate bicycle shoulders on roadway surface.	Bridge	\$1,350	\$1,350	6/15/2009	\$0		
2	Bow Mar		Bow Mar Drive Pavement Overlay	Pavement overlay of Bow Mar Drive between Quincy and Prospect/Belleview (.8 miles)	Overlay	\$85	\$85	6/1/2009	\$80	used to advance paving program; specific locations not specified	6/1/2009
2	CDOT Region 4		US-36 at Broadway Intersection signalization including bicycle/pedestrian treatments	New traffic control signal at US-36 at Broadway intersection with bicycle/pedestrian treatments./ US-36: mp 32.13 to 32.4	Safety	\$500	\$500	4/16/2009	\$0		
2	CDOT Region 4		I-25 North Corridor Management Project	Install fiber optic cable from 120th in Denver to Wyoming state line along I-25. 35% in DRCOG TMA/ I-25: MP 223.22 to 298.87	ITS (Pool)	\$4,025	\$11,500	9/10/2009	\$0		
2	Centennial		Major Corridor Pavement Rehab Program	Rehab of 7.5 miles within city limits	Overlay	\$2,998	\$2,998	5/12/2009	\$0		
2	Denver		Alameda Ave: University to E. Cherry Creek S Drive Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp and curb and gutter upgrades	Reconstruction	\$2,079	\$2,079	6/1/2009	\$0		
2	Denver		1st Ave: Broadway to Santa Fe Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$2,933	\$2,933	6/1/2009	\$0		
2	Denver		9th and 10th Ave: Broadway to Downing Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$4,284	\$4,284	6/1/2009	\$0		
2	Denver		Alameda Ave: Broadway to University Reconstruction	Remove and replace all roadway pavement. Additional work to include installation of ped ramp, curb and gutter upgrades, and signal work	Reconstruction	\$4,462	\$4,462	7/1/2009	\$0		
2	Denver		ITS: Colorado Blvd Signal Reconstruction	Reconstruct 6 signals and associated infrastructure	Safety	\$1,500	\$1,500	8/1/2009	\$0		
2	Denver		Colfax ITS Arterial Video Detection: I-25 to Colorado Blvd	Install Arterial Congestion Mapping (ACM) materials including fiber optical conduit and cable, transceivers, switches, and video detection cameras	ITS (Pool)	\$1,000	\$1,000	8/1/2009	\$0		
2	Denver		ITS: Arterial Variable Message Signs (VMS)	Install 9 VMS within the Central Business District	ITS (Pool)	\$810	\$810	8/1/2009	\$0		
2	Denver		ITS: Closed Circuit Television Traffic Monitoring Camera	Install 25 CCTV cameras	ITS (Pool)	\$300	\$300	8/1/2009	\$0		
2	Edgewater		West 26th Ave. Overlay	Project of roto-milling 5300 at 50' width of asphalt 2" in depth and placement of 29,444 SY of 2" asphalt overlay. The project cost includes mobilization, traffic, erosion control and testing.	Overlay	\$334	\$334	5/1/2009	\$0		
2	Edgewater		West 20th Avenue from Sheridan Blvd west to Pierce St.	Project of roto-milling 5300 at 53.24' width of asphalt 2" in depth and placement of 31,352 SY of 2" asphalt overlay. The project cost includes mobilization, traffic, erosion control and testing.	Overlay	\$356	\$356	5/1/2009	\$0

TIER 2 Projects - Continued											
2	Englewood		Bridge Repairs- Englewood	Repair and maintenance to 11 bridges per 2007 bridge evaluation report (Preventative Maint)	Bridge	\$140	\$140	12/1/2009	\$0		
2	Englewood		Englewood Overlay Project	Rotomill & 2" AC overlay. Project includes construction of HC ramps & incidental curb repair. Various streets within Englewood. All locations on federally eligible streets.	Overlay	\$1,711	\$1,711	12/1/2009	\$0		
2	Englewood		S. Broadway - Yale to Hwy 285 and Belleview to South City Limits	Rotomill & 2" AC overlay on S. Broadway. Project includes construction of HC ramps & incidental curb repair.	Overlay	\$905	\$905	12/1/2009	\$0		
2	Erie		East County Line Rd. from Leon A. Wurl Pkwy to Telleen Ave.	Overlay of 78,275 sq ft of pavement on East County Line Rd from Leon A. Wurl Pkwy to Telleen Ave.	Overlay	\$117	\$117	6/1/2009	\$0		
2	Erie		Weld County Rd. 7 Overlay	Overlay of 126,720 square ft. of pavement on Weld County Rd. 7 from Weld County Road 6 to Leon Wurl Pkwy	Overlay	\$190	\$190	6/1/2009	\$0		
2	Erie		County Line Rd. between Leon Wurl Pkwy and Telleen Ave.	Construct median, intersection improvements and addition of two lanes with curb, gutter and sidewalks in both directions.	Capacity	\$2,084	\$2,084	6/1/2009	\$0		
2	Erie		Leon A. Wurl Parkway Improvement- 109th St. to 119th St.	Reconstruct Leon A. Wurl Pkwy from 109th St including sidewalks, center median, turn lanes, one through lane and bike lane in each direction.	Capacity / Reconstruction	\$2,741	\$2,741	7/1/2009	\$0		
2	Erie		Leon A. Wurl Bridge Replacement and Widening	Replace and widen existing bridge to a 4-lane bridge and sidewalks. Re-align roadway to improve safety and provide sidewalks./ Leon A Wurl Pkwy over Coal Creek, E. of Briggs St.	Bridge	\$4,650	\$4,650	9/1/2009	\$0		
2	Frederick		County Road 18 Reconstruction	This project consists of reconstruction of approximately two miles of two lane roadway./ T 2N, R 68 W, Frederick, CO County Rd. 18 from I-25 east Frontage, east two miles to CR 13	Reconstruction	\$1,085	\$1,085	4/1/2009	\$0		
2	Jefferson County		Indiana St. Overlay	Overlay of Indiana St from CO 72 north to 120th Ave	Overlay	\$659	\$659	9/1/2009	\$0		
2	Jefferson County		McIntyre St Overlay	Overlay of McIntyre St from W. 48th Ave to W. 60th St	Overlay	\$330	\$330	10/1/2009	\$0		
2	Jefferson County		West Coal Mine Ave Overlay	Overlay of West Coal Mine Ave from South Moore St to Simms	Overlay	\$870	\$870	10/1/2009	\$0		
2	Lafayette		South Boulder Road Overlay	Mill and overlay 2.5 miles of South Bolder Rd from 120th to Cimaron	Overlay	\$1,024	\$1,024	5/1/2009	\$1,024	Mill/Overlay : entire length of N. and S. Public Rd, and 120th from south city limits to Emma	Spring 2010
2	Lakewood		Jewell Avenue Overlay, Union Blvd to Pierce St.	Curb, gutter, sidewalk, repair, patch, mill and 2" overlay, installation of long life pavement markings on 16.6 lane miles of arterial street	Overlay	\$2,151	\$2,151	8/1/2009	\$0		
2	Lakewood		Belleview Avenue Overlay, Kipling to Wadsworth	Curb, gutter, and sidewalk repair, patching, mill and 2" overlay on 7-lane miles of arterial roadway. Joint project between Lakewood and Denver.	Overlay	\$751	\$751	8/1/2009	\$0		
2	Littleton		Broadway Overlay and Rehab: Mineral to W. Caley	Full width mill and overlay, sidewalk repair/ADA upgrades	Overlay	\$3,500	\$3,500	6/15/2009	\$0		
2	Louisville		Arterial Roadway Resurfacing: City of Louisville	Resurfacing portions of McCaslin Blvd, Dillon Rd, and S. Boulder Rd	Overlay	\$1,000	\$1,000	4/30/2009	\$0		
2	Lyons		Roadway Operational Improvements: Hwy 36/66 and Stone Creek Drive/McConnell Drive	Install traffic signals, crossings, and signage	Safety	\$333	\$333	9/1/2009	\$0		
2	Northglenn		W. 112th Avenue Widening	Project includes widening to address increased traffic loads. Improvements include sidewalks, drainage, and intersection improvements. Construction estimates including construction management total \$5.6M/ W. 112th Avenue from Western City Limit to Huron St.	Capacity	\$5,600	\$5,600	4/1/2009	\$0		
2	Thornton		Washington St: 120th Avenue north to 128th Avenue	Project will provide a mill and overlay on Washington St. from the intersection at 120th Ave. north to and including the intersection at 128th Ave.	Overlay	\$807	\$807	7/1/2009	\$0		
2	Thornton		Washington St. Overlay: 128th Ave. to 136th Ave.	Project will provide a mill and overlay on Washington St. from the intersection at 128th Ave. north to and including the intersection at 136th Ave.	Overlay	\$671	\$671	7/1/2009	\$0		
2	Thornton		Huron Street Overlay: 84th Avenue to Thornton Pkwy	Project will provide a mill and overlay on Huron St. from the intersection at 84th Ave north to and including the intersection at Thornton Pkwy	Overlay	\$885	\$885	7/1/2009	\$0		
2	Thornton		Colorado Blvd: Thornton Pkwy to 104th Ave.	This project will provide a mill and overlay on Colorado Blvd. from the intersection of Thornton Pkwy. North to and including the intersection at 104th Ave.	Overlay	\$757	\$757	7/1/2009	\$0		
2	Thornton		104th Ave: York St. to Colorado Blvd	This project will provide a mill and overlay on 104th Ave. from York St to 104th Ave.	Overlay	\$889	\$889	7/1/2009	\$0		
2	Thornton		Colorado Blvd Overlay: 112th Ave n. to 120th Ave.	This project will provide a mill and overlay on Colorado Blvd. from the intersection at 112th Ave. north to and including the intersection at 120th Ave.	Overlay	\$863	\$863	7/1/2009	\$0		
2	Westminster		112th Ave Roadway Improvements: Huron St to Ranch Reserve Pkwy	Widen roadway on the north side of 112th Ave	Capacity	\$1,400	\$1,400	4/15/2009	\$1,400	Lowell Blvd: 77th Ave to 79th Ave Roadway Improvements	2/16/2010
2	Westminster		Roadway Overlay of Sheridan Blvd: 88th Place to City Center Dr	Rehab and overlay	Overlay	\$850	\$850	6/1/2009	\$0		
2	Wheat Ridge		29th Avenue Re-surfacing	Surface treatment consisting of 2 inch milling and resurfacing for approximately 1.2 miles. Entire length is 2 lanes./ 29th Ave. from Wadsworth Blvd to Fenton St.	Overlay	\$400	\$400	3/1/2009	\$0		
2	Wheat Ridge		38th Avenue Re-surfacing	Surface treatment consisting of 2 inch milling and resurfacing for approximately 1.5 miles. Eastern 1/2 mile is 5 lanes with remainder being 3 lanes./ 38th Avenue from Kipling Street to Wadsworth Boulevard	Overlay	\$800	\$800	3/1/2009	\$0		

DRCOG List of Eligible Projects Requesting Recovery Funding - STP-Metro Funding Category by TIER

Tier	Sponsor	TIP ID (if applicable)	Project Name	Project Description/Location	Project Type	Recovery Funds Requested (in thousands)	Current Total Project Cost (in thousands)	Estimated Ad Date	Replacement Projects Cost (in thousands)	Replacement Projects (if recovery funds supplant current funding)	Projected Ad Date for Replacement Projects
TIER 3, project in the TIP											
3	CDOT Region 1	2003-124	US-285: Pine Junction Interchange	Build a grade-separated interchange and related widening at Pine Junction.	Design	\$1,200	\$12,000	6/1/2009	\$0		
3	DRCOG	2008-025	Travel Behavior Surveys	Travel surveys along entire front range	Study	\$350	\$2,500	2/1/2009	\$0		
3	RAQC	2008-043	Ozone Modeling Efforts and Analysis	Air quality modeling efforts	Study/Air Quality	\$192	\$240	3/1/2009	\$0		
TIER 3, project NOT in the TIP											
3	Arapahoe County		I- 25: Arapahoe Road (Design)	Overall project includes the reconstruction of the existing interchange plus the east-west connection across I-25 on the Costilla Avenue alignment. This request would advance the design of the project.	Design	\$5,000	\$5,000	7/1/2009	\$0		
3	Arvada		UPRR Bridge Replacement at Indiana St: Design	Design the replacement of the RR bridge to accommodate a 4-lane arterial road near W. 83rd Ave	Design	\$300	\$300	6/1/2009	\$0		
3	Arvada		Union Pacific Grade Separation: W. 72nd Ave - Design Only	Design railroad grade separation structure with 72nd Ave. Design also includes arterial design with bike/ped facilities	Design	\$1,000	\$1,000	6/1/2009	\$0		
3	Boulder County		S. Boulder Rd/120th St in City of Lafayette	Design for 1) reconstruction of S. Boulder Rd; 2) signalization of 120th/S. Boulder Rd; 3) Bridge replacement over Coal Creek with trail connections/ S. Boulder Rd. and 120th St in City of Lafayette	Design	\$750	\$8,400	6/1/2009	\$0		
3	Castle Rock		I-25: Crystal Valley Pkwy Interchange Design	Design new interchange	Design	\$1,500	\$1,500	11/1/2009	\$0		
3	Castle Rock		I-25: North Meadows Pkwy Interchange Design	Design new interchange	Design	\$1,500	\$1,500	12/1/2009	\$0		
3	Denver		ITS: Next Generation System Replacement Upgrade Traffic Signal Control System	Replacement and/or upgrade central traffic signal control system	Signal System (Non-Construct)	\$1,250	\$1,250	8/1/2009	\$0		
3	Denver		Traffic Signal Devices Database	Condense several traffic signal databases into one	Signal System (Non-Construct)	\$250	\$250	8/1/2009	\$0		
3	Lakewood		Lakewood Shuttle Feasibility: Phase 2 Design Study	A study to determine the technology, route, and cost of operating a shuttle system between two future light rail stations and the City's downtown/civic center area in north-central Lakewood	Study	\$100	\$100	12/1/2009	\$0
