

2050 RTP Update: Regional Roadway System

Board Work Session: May 7, 2025

To review the full Regional Roadway System, visit the [DRCOG Data Tool](#).

Regional Roadway System

- Most heavily traveled & important connecting roadways.
- Fixed at the beginning of the update to the Regional Transportation Plan.

Basics of the Regional Roadway System

- Currently made up of existing and future **freeways, tollways, major regional arterials**, and **principal arterials**.
- Planning network for **federal air quality conformity** and **state greenhouse gas emission reduction** analyses.
- Network for **eligible capacity projects** in the Regional Transportation Plan and Transportation Improvement Program.
- **Targets limited federal funding** to the most important roadways in the region.

Actions this update cycle

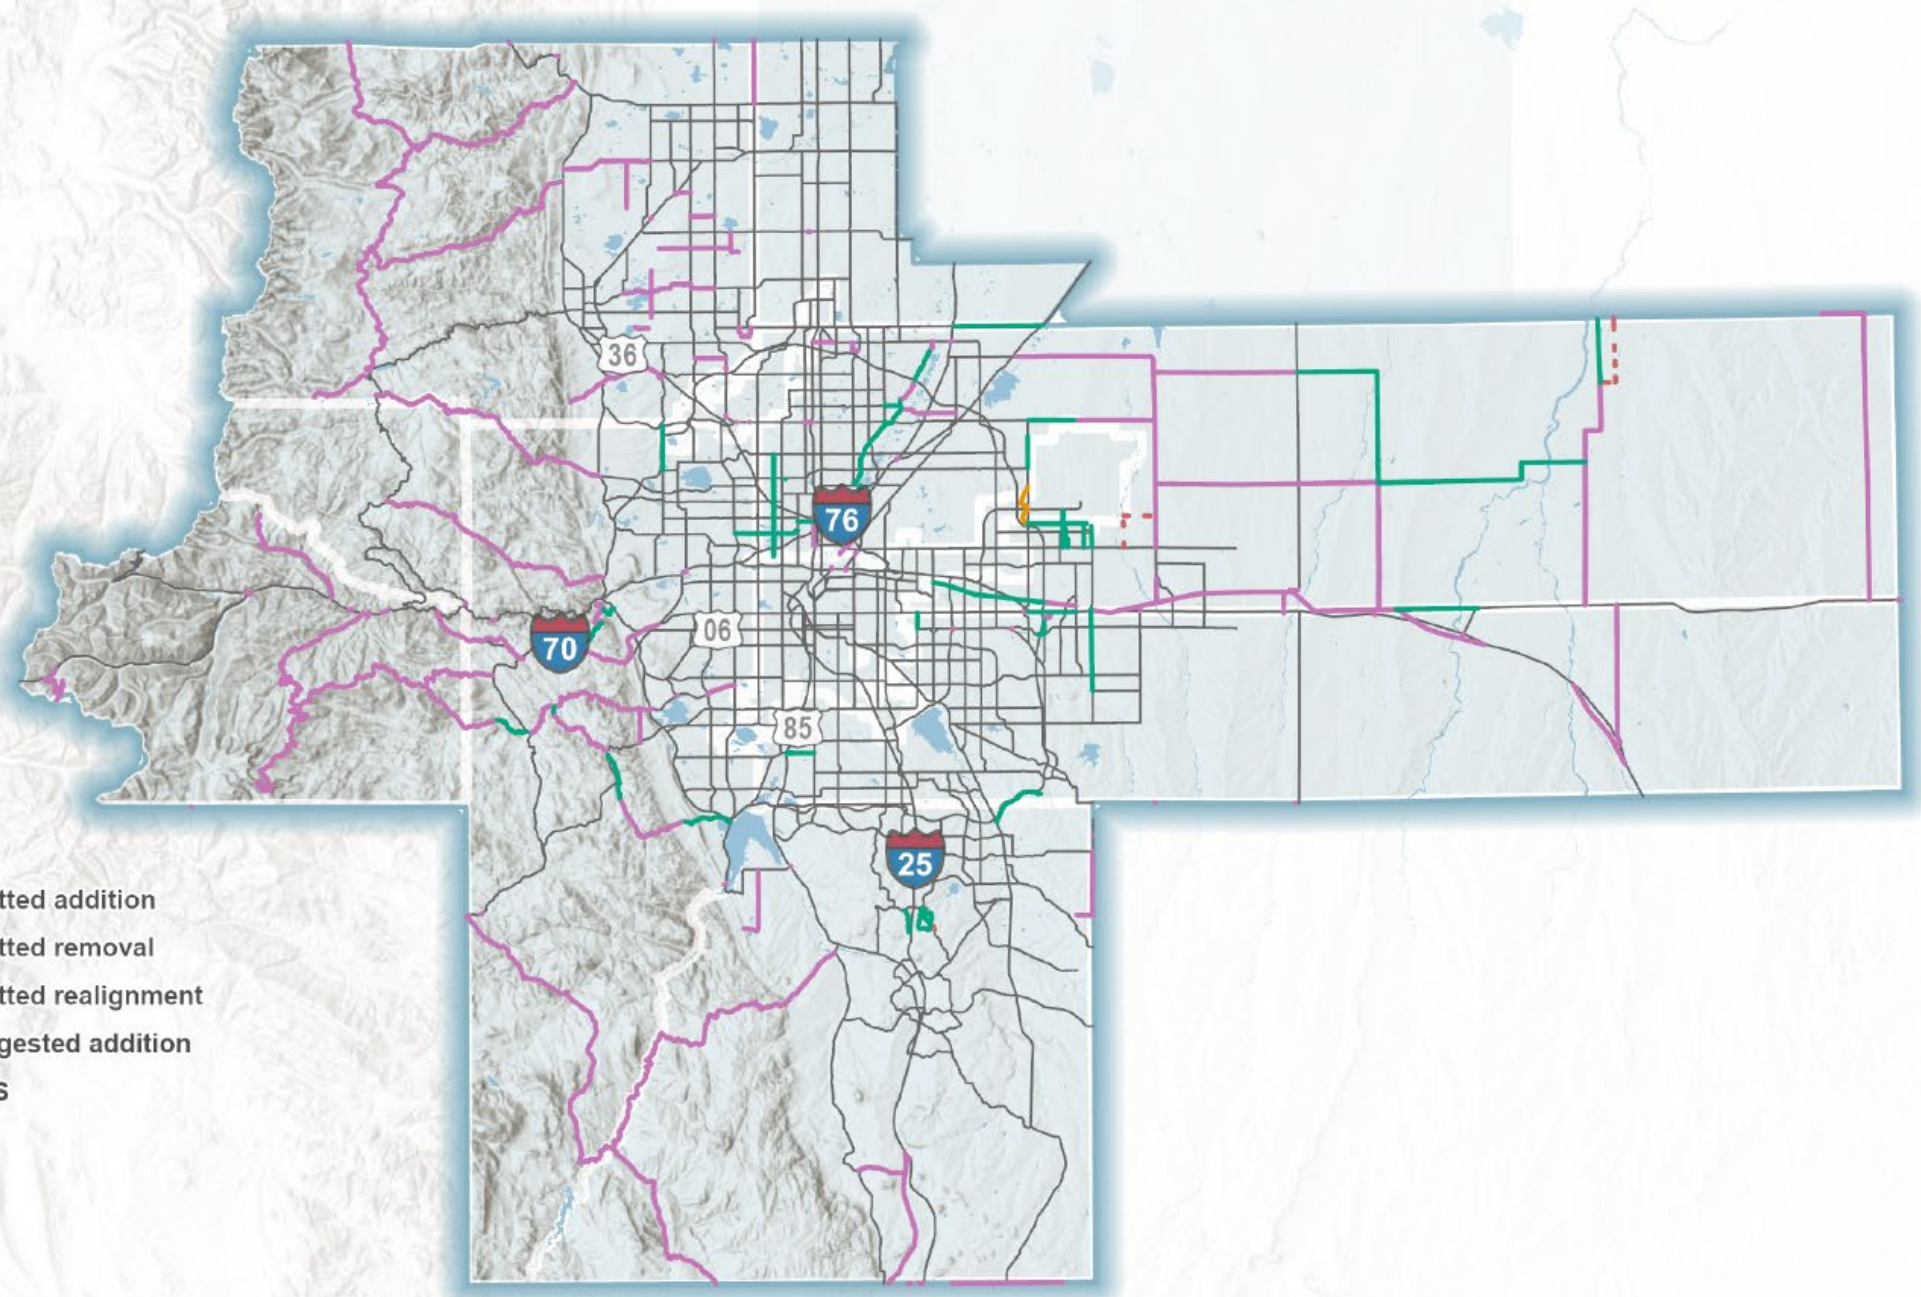

- Vetting proposed expansion to add roadways classified as **Major Collectors and above in rural areas** and **all Colorado state highways**.
- Held a **Call for Revisions** from March 17 to April 14.
- **Presenting at County Transportation Forums** on the Regional Roadway System and the proposed expansion.
- **Meeting 1:1 with local agencies** to answer questions and provide an overview.

Call for Revisions

Requestor	Number of submissions
Adams County	8
