

# Exciting grant funding opportunities now open!

**You're invited to be a part of the movement to support older adults with transportation, meals and other services!**

Across Colorado, organizations are finding new ways to help older residents stay healthy, connected, and independent — from innovative transportation programs, to meals, to in-home care. **The Denver Regional Council of Governments Area Agency on Aging is now accepting grant funding applications for services that support older adults.**

**Whether your organization has been providing supportive services for years, or if you're just now looking to expand into new spaces with significant, reliable revenue streams, we need to hear from you!**

DRCOG is accepting proposals for three separate funding programs now through **January 16, 2026**:

- Older Americans Act and State Funding for Senior Services.
- Federal Transit Administration Section 5310.
- The Transportation Improvement Program's Human Services Transportation Set-Aside.

**Sign up for a mandatory informational session.** To learn more or access application materials, visit [drcog.WebGrantsCloud.com](https://drcog.WebGrantsCloud.com).

**Questions?** Contact **Travis Noon, business operations manager**, at [AAA\\_RFP@drcog.org](mailto:AAA_RFP@drcog.org).

If you need digital accessibility assistance, submit a request at [drcog.org/access](https://drcog.org/access) or call 303-455-1000. Please expect a response within 72 hours (three business days).
