

Agenda (DRAFT)

Wednesday, May 6 (Hilton Motif Seattle)

6:00 p.m. Opening Board Reception

7:00 p.m. Board dinner with Puget Sound Regional Council (PSRC) presentation

Thursday, May 7

8:00 a.m. Breakfast: Grab and Go at PSRC

8:30 a.m. Redmond Transit-Oriented Development Walking Tour
Ride the train to discover how Redmond is redefining what it means to live, work, and connect in a thriving Northwest city. This walking tour offers a front-row view of a growing urban center designed around people, transit, and a future that prioritizes sustainability and vibrancy.

A conversation with **Redmond's mayor** will follow, offering an inside look at how the city is growing with purpose—from strategic planning to intentional community investment. The mayor will share insights from Redmond's approach to coordinated growth, innovation, and livability, and explore how these lessons could provide valuable perspective for metro Denver communities navigating similar challenges and opportunities.

12:30 p.m. Lunch sponsored by ECONorthwest
Vive space – PSRC Office 24th Floor

1:30 p.m. Reimagining Housing: Lessons, Solutions, and a Regional Vision
Expect a lively and insightful housing panel exploring how Seattle's bold approaches to affordability, neighborhood design, and coordinated regional planning is beginning to pay dividends. This engaging conversation brings

together leaders and innovators who are pushing the bounds of what housing can look like in thriving, future-focused cities.

6:00 p.m. Reception and Dinner with PSRC Board members
Hilton Motif Seattle

Friday, May 8

8:30 a.m. Building a Connected Future: A Multimodal Transportation Conversation

PSRC Offices

From regional coordination to major transit expansions, discover the practices that have positioned the Seattle region as a national leader in integrated mobility—and how similar approaches could unlock new opportunities in Denver. Unpack the proven strategies, fresh innovations, and the investment frameworks that are helping shape the Puget Sound region's landscape.

10:00 a.m. Seattle Waterfront Project Tour

Discover how Seattle transformed its formerly car-dominated waterfront into a vibrant, connected, multimodal public realm. This guided tour offers an inside look at one of the most ambitious urban transportation and infrastructure redesigns in the nation—an experience packed with insights for elected leaders and city-builders.

11:00 a.m. Pike Place Market Tour: Where Local Food, Community, and Urban Vibrancy Meet

Step into the heart of Seattle with a tour of Pike Place Market, one of the oldest continuously operating public markets in the United States and a world-renowned example of how farmers markets can shape the cultural and economic pulse of a city. More than a tourist destination, Pike Place is a living model of how local food systems, small businesses, and public space come together to create lasting urban vitality.

12:00 p.m. Adjourn
