

Summary of public comments received on the draft 2026-2027 Unified Planning Work Program

A public comment period was held from June 20th to July 7th. The draft document was available on DRCOG's website along with a comment form. The comment opportunity was advertised on the DRCOG website as well as DRCOG's social media platforms (Facebook, LinkedIn, Nextdoor, and Twitter), with posts in both English and Spanish.

In all, two comments were received. The following table compiles the comments received.

Table 1. Compilation of all public comments received

Name	Organization	Comment
Liz Feeney	None	This "plan" literally said nothing, just kept repeating the same thing over and over. However, please stop trying to crowd the city. Denver is losing businesses, too many people, crumbling infrastructure, we are in for a major fall.
Jenna West	None	Hey DRCOG, I have a few suggestions . . . Get rid of the \$ express lanes on I-25, I-70, and C-470 and open up our roadways to improve traffic flow. Drop the Front Range Passenger Rail boondoggle and other boondoggles like RTD's rides to nowhere, and stop wasting our tax dollars on forced inefficient, unnecessary, unsafe, and expensive mass transit. Thank you.
